BY YOUR SIDE

# A QUALITY PRODUCT FROM ROSE PLASTIC ROSECASE

Protection starts with the right case. For over 70 years, rose plastic has been developing packaging solutions that do more than just transport products from A to B.

With ROSE CASE – a trusted brand of the rose plastic group – we offer high-quality plastic cases that are not only rugged, but smartly designed. For those who demand quality, precision, and reliable protection.

## WHAT DRIVES US?

The perfect mix of experience and innovation. With deep expertise in packaging and a global network of production sites and subsidiaries, we offer a fast, flexible service – right where you need it.

Every job is different. Every requirement unique. But one thing never changes: our commitment to packaging solutions that think ahead, keep pace – and are ready when you are.

BY YOUR SIDE

## ALWAYS CLOSE. NO MATTER WHERE.

Since its founding in 1953, rose plastic has grown rapidly into a truly global company. Today, around 800 employees worldwide contribute to the success of our group – with 400 of them working at our headquarters in Hergensweiler, Germany.

With production facilities in Germany, the USA, Brazil, China, and India, as well as subsidiaries across Europe and Asia, we are present around the globe. This means our ROSE CASES are available exactly where our customers need them – whether in the UK, France, Spain, Italy, or South Korea. And thanks to our distribution partners in Poland, Japan, and Turkey, our service reaches even further.

## COMFORTABLE TO CARRY

Ergonomically shaped handle for your comfortable handling – optionally available with "soft-touch" for your extra comfort

## STANDS STABLE

Flat feet are integrated flush into the contour – ensuring that your case stands stably and securely on any surface

## INDIVIDUALLY CONFIGURABLE

Transparent lids, variable depths and many color combinations for your maximum design freedom

## FEATURES & FUNCTIONS

Ergonomic handle – also available with "soft-touch" coating

Durable closures, rotatable 90°, seamlessly integrated into the case design

Smooth, high-gloss surface – ideal for custom printing, engraving, or labeling

Concealed internal hinges

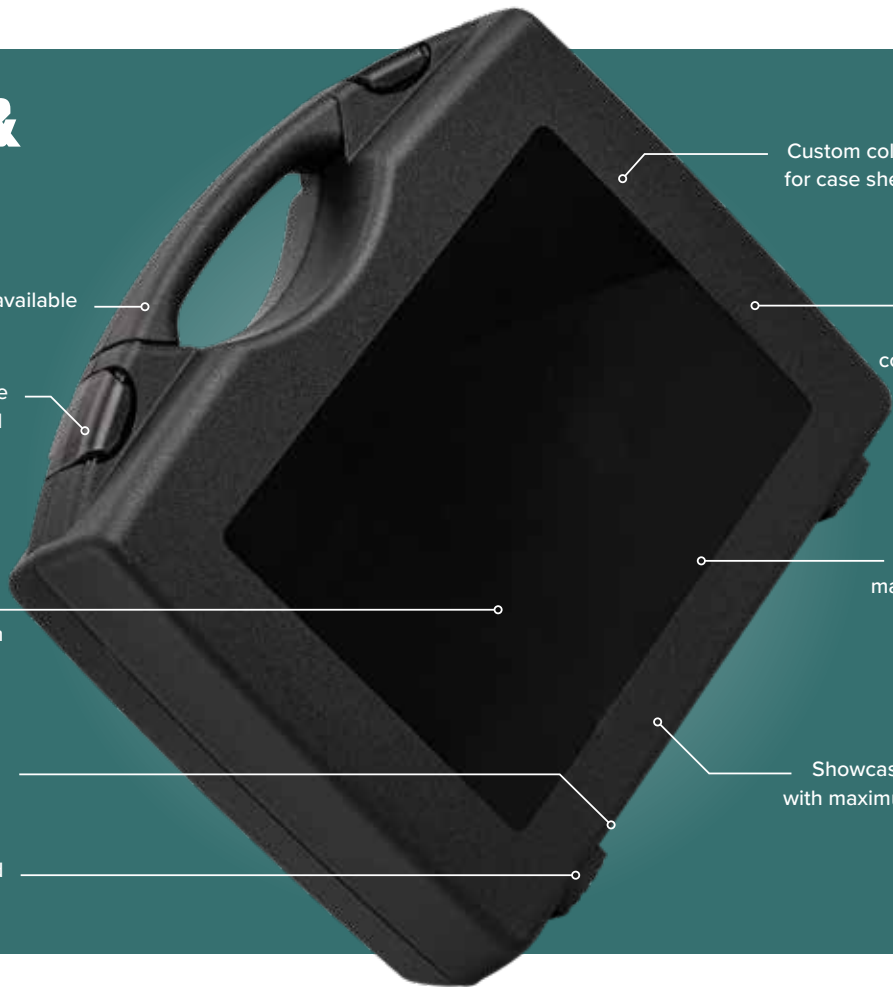

Low-profile feet integrated into the case contour

Custom color combinations for case shells and closures possible

Available in a wide range of colors – including transparent options

Matching foam materials for every case size

Showcase your products with maximum impact using transparent lids

### INDIVIDUAL CUSTOM OPTIONS

- Customized foam inserts
- Multicolor printing
- Label
- Cases also available in numerous customized colors or color combinations
- Transparent lid
- Smooth case surface available for colored case shells
- 100% recycled plastic (recyclate)

### MATERIAL

- Polypropylene (PP) or recycled material

### ROSE CASE COLOR PALETTE

## FEATURES & FUNCTIONS

Functional, space-saving folding handle

Simple and secure snap closure

Lightweight yet extremely durable

Stands upright or on its side thanks to smart product design – ideal for practical storage

Textured, scratch-resistant surface on colored case shells

Case shells available in custom color combinations

Foam inserts, tailored to your specifications

Perfect product presentation when using transparent lids

Also available in 100% recycled plastic

Fig. RCS 1136

## LIGHTWEIGHT, STRONG PROTECTION

Extremely stable and easy to transport your products despite its low weight

## SPACE-SAVING AND SECURE

The folding handle disappears seamlessly into the contour and provides additional protection against accidental opening of your case

## FLEXIBLE STORAGE

Stands upright or on its side thanks to clever product design, enabling flexible use and storage options

ORGANIZED. STRUCTURED. TRANSPARENT.

# ROSE CASSETTE

## EVERYTHING IN VIEW

The transparent lid saves time and makes organization easier – especially when accessing the contents frequently

## DOUBLE PROTECTIVE FUNCTION

The handle can be swivelled 90° and folded away, and when unfolded provides additional protection against accidental opening

## EASY TO STACK, SAFE TO STORE

Integrated stacking lugs enable stable stacking on top of each other

### INDIVIDUAL CUSTOM OPTIONS

- Numerous thermoformed inserts with various dividers
- Customized foam inserts
- Multicolor printing
- Label
- Cases and closures also available in numerous customized colors or color combinations

### MATERIAL

- Base: Polystyrene (PS)
- Cover: ABS
- Hinge: Polyamide (PA)
- Closure: NYLON
- Handle: Polyethylene (PE)

### ROSE CASE COLOR PALETTE

## FEATURES & FUNCTIONS

90° swivel, retractable handle

Sturdy latches integrated into the case design, can be swiveled through 180°

Optimum visibility of the contents thanks to the highly transparent plastic lid

Recessed handles on the sides

Flat feet integrated into the contour

Individual color combinations of case shells, latches and handle possible

Excellent stackability and storability

Excellent printing and labeling options

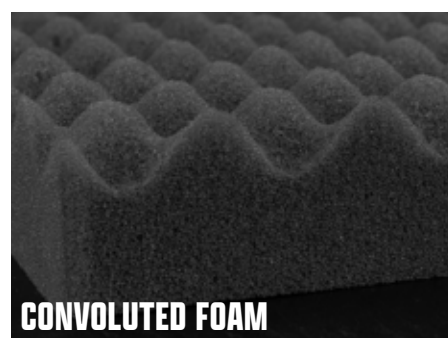

Matching thermoformed inserts, organization systems or foam according to customer requirements

# EXTRAS FOR YOUR CASE

Get even more out of your ROSE CASE with foam, inserts, and accessories.

## STANDARD FOAMS

Foams in different variants and qualities reliably protect your product – exactly according to your needs.

**CONVOLUTED FOAM**

Absorbs impacts, breathable, elastic

**FLAT FOAM**

Flexible and durable, suitable for a wide range of applications

**CUBED FOAM**

Easily customizable with pre-scored cubes

## CUSTOMIZED FOAM

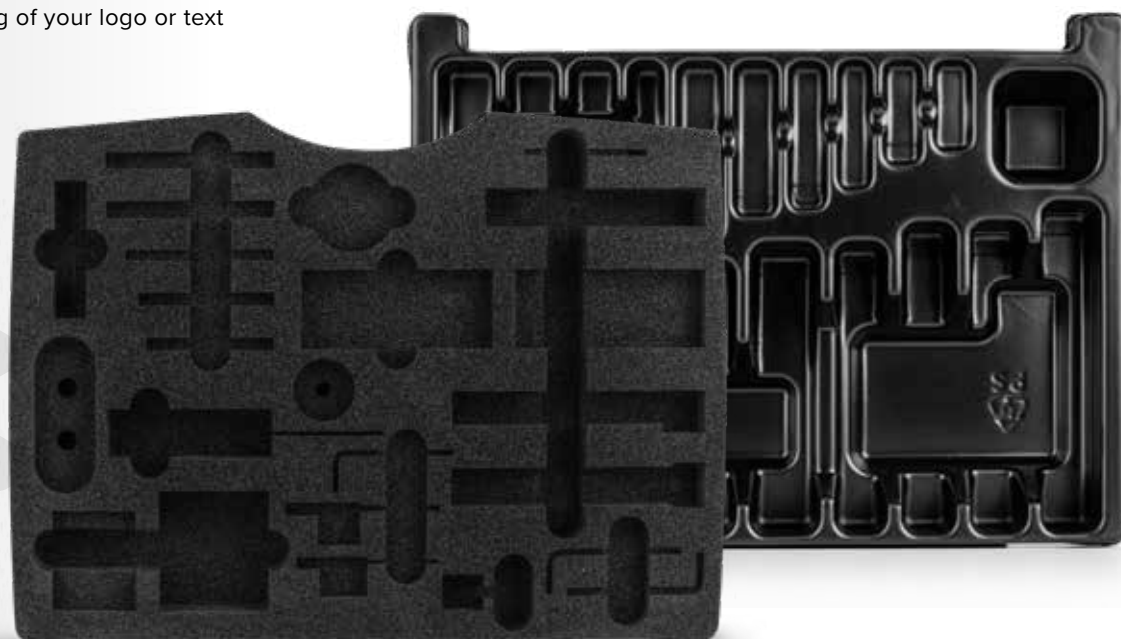

Customize the interior of your ROSE CASE exactly how you need it – precision fit, premium quality, and a clean, professional look.

- Perfectly cut foam to your product (Waterjet cutting, CNC milling or die cutting)
- Colored or two-color foam available on request
- Optional laser engraving of your logo or text

## THERMOFORMED INSERTS

Provide reliable protection for your products during storage and transport.

- Custom thermoformed inserts available on request
- Standard thermoformed inserts available for RoseCassette
- Resistant to dirt and moisture

# MAKE YOUR ROSE CASE UNIQUE

With printing, labeling, or engraving, your case becomes truly unique.

## PRINTING

A high-quality print turns your case into a brand ambassador.

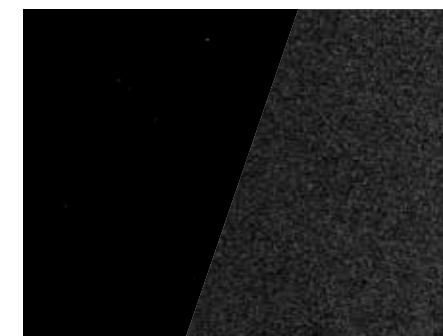

## COLORS & COLOR COMBINATIONS

Black, red, blue – or your own look. Depending on the case model, you can mix and match the lid, base, and latches. Special colors available on request.

## LABEL

We manufacture your case, assemble it so it's ready to use, and include the labels.

## SURFACES

Smooth or textured — showcase your branding perfectly with a case surface that matches your product.

## RELIEF / 3D LOGO

Give your suitcase personality: a logo integrated into the suitcase shell stands out and is durable.

## SOFT-TOUCH HANDLE

Everything under control thanks to "soft-touch": The TPE coating ensures a non-slip grip. Available for all Rose Case ErgoLine cases with the item description "M".

## RECYCLED MATERIAL

Less virgin plastic, more circular economy: many of our case series are also available made from 100% recycled material.

# BY YOUR SIDE

## STEP BY STEP

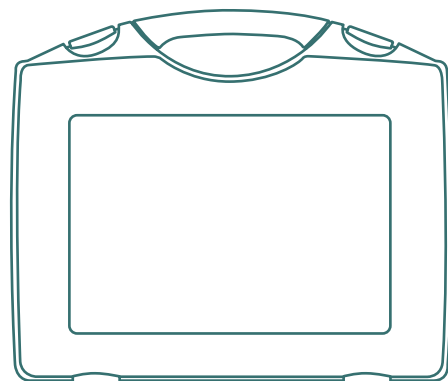

From the initial briefing and prototype to the final solution, we're with you at every step — making sure everything is just right in the end.

### STEP 1 YOUR PRODUCT

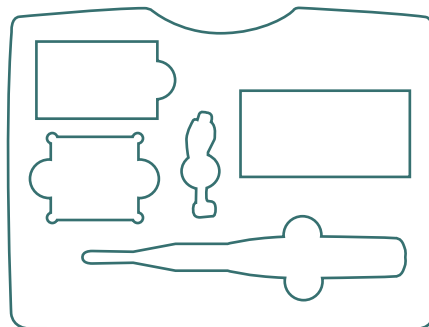

Let's find the perfect solution together: just send us the data/specs for the products you want to package — we'll take care of the rest.

### STEP 2 WE DEVELOP THE RIGHT PACKAGING CONCEPT

**The ideal case**  
Together, we will find the optimal case solution for your requirements.

**Customized interior**  
Foam precisely tailored to your products.

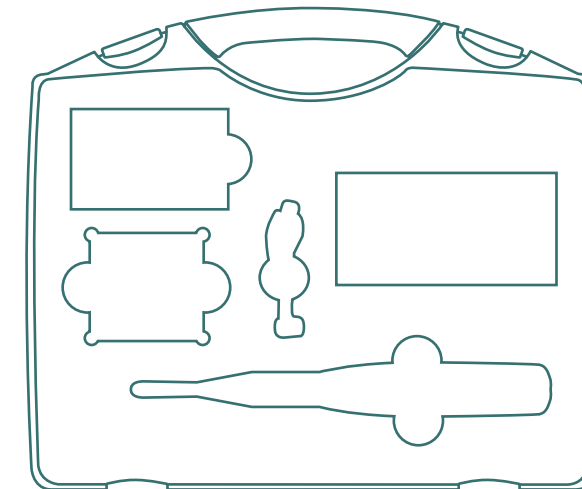

**The perfect look**  
Logo printing or labels in your brand design.

BY YOUR SIDE. STEP BY STEP

### STEP 3 YOU DECIDE

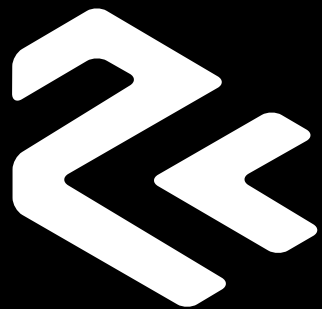

If desired, we can create a sample, prototype, or 3D concept for you. We will only start production once you have given your approval.

### STEP 4 YOUR PERFECT CASE SOLUTION

Your custom-made case is ready: precision-fit, professional, and ready to use.
